Honorable James H. Welsh
Commissioner of Conservation
P.O. Box 94275, Capitol Station
Baton Rouge, Louisiana 70804-9275

RE: Application Notice
Robulus 3-4 Zone, Reservoirs A & B
LAKE DES ALLEMANDS FIELD
St. John the Baptist Parish, Louisiana

Dear Sir:

Aspect Energy, L.L.C., ("Applicant") hereby makes application to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating the Robulus 3-4 Zone, Reservoirs A & B, in the Lake Des Allemands Field, St. John the Baptist Parish, Louisiana.

1. To establish rules and regulations governing the exploration for and production of gas and condensate from the Robulus 3-4 Zone, Reservoirs A & B, in the Lake Des Allemands Field, St. John the Baptist Parish, Louisiana.
2. To create single drilling and production units for the exploration for and production of gas and condensate from the Robulus 3-4 Zone, Reservoirs A & B.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation.
4. To provide that any future wells drilled to the Robulus 3-4 Zone, Reservoirs A & B, in the Lake Des Allemands Field, shall comply with the spacing provisions of Statewide Order No. 29-E.
5. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

6. To consider such other matters as may be pertinent to this application.

The Robulus 3-4 Zone, Reservoir A, in the Lake Des Allemands Field, is defined as that gas and condensate bearing zone encountered between the depths of 9,250' and 11,130' (electrical log measurements) in the Columbia Gas Development Corporation – SL 8823 No. 1 Well, located in Township 13 South, Range 19 East, St. John the Baptist Parish, Louisiana.

The Robulus 3-4 Zone, Reservoir B, in the Lake Des Allemands Field, is defined as being that gas and condensate bearing zone encountered between the depths of 10,190' and 10,670' (electrical log measurements) in the Shell Oil Company- SL 1838 No. 1 Well, located in Township 13 South, Range 19 East, St. John the Baptist Parish, Louisiana.

A timely request for the pre-application conference tentatively scheduled for August 8, 2007 was not received; therefore the pre-application conference will **not** be held.

All pertinent data relating to the subject application is available for inspection at the offices of Louis Gilbert & Associates, Inc., 3636 N. Causeway Blvd., Suite 204, Metairie, Louisiana 70002. Any person wishing to inspect such data should contact Louis Gilbert at (504) 834-8112 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is not otherwise available from the Office of Conservation can be obtained at the expense of the requesting party.

The Applicant will provide for posting a copy of the Legal Notice of this hearing and a copy of the enclosed plat at a prominent place in the area affected by this application and will cause the publication of the Legal Notice in a newspaper published in the general area of the Lake Des Allemands Field. Furthermore, a copy of the Legal Notice will be mailed to all Interested Owners, Represented Parties and Interested Parties all in accordance with the Revised Rules of Procedure.

There is attached hereto and made a part hereof, a plat outlining the proposed units and a list of names and addresses of the Interested Parties, Interested Owners and Represented Parties to whom this notice is being sent. Pursuant to the Revised Rules of Procedure, such list of Parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The aforementioned list is available upon request to any Interested Party. A reasonable effort was made to ascertain the names and addresses of all Interested Parties, Interested Owners and Represented Parties as required by the Revised Rules of Procedure.

There is enclosed herewith on behalf of the Applicant a check made payable to the Office of Conservation, representing the required hearing application fee.

Commissioner of Conservation
